COMMUNICATION

I am a good leader since I always manage and leads my friend in the secondary school then I finally gains skill of leadership and also I can communicates easily with other since I speak English and French. I don't like lies telling, loves hardworking and work in groups.

LEADERSHIP

I am a good leader since in school I was the class prefect for about 3 year and so I have experience leadership since I was the one responsible for the class and was my work to manage and lead my friends in class.
